AMERICA UNMASKED Dinesh D'Souza Podcast Ep38

In this episode Dinesh declares that with Texas, Florida and Mississippi now fully unmasked, it's a test of the free red states against the locked down blue states. Dinesh continues his exploration of whether Trump has displaced Reagan in setting direction for the GOP. Dinesh examines two renegade Republicans, Liz

Cheney and Nikki Haley, asking what their prospects are for future leadership. Obama wants reparations on the grounds that the slaves built America; Dinesh counters that it wasn't slaves, and it wasn't even immigrants—America was built by settlers. Also Debbie joins Dinesh for a spirited exchange on whether the best marriage is a traditional marriage, and the best traditional marriage is a benign patriarchy. Dinesh D'Souza is an author and filmmaker. A graduate of Dartmouth College, he was a senior domestic policy analyst in the Reagan administration. He also served as a research fellow at the American Enterprise Institute and the Hoover Institution at Stanford University. He is the author of many bestselling books, including "Illiberal Education," "What's So Great About Christianity," "America: Imagine a World Without Her," "The Roots of Obama's Rage," "Death of a Nation," and "United States of Socialism." His documentary films "2016: Obama's America," "America," "Hillary's America," "Death of a Nation," and "Trump Card" are among the highest-grossing political documentaries of all time. He and his wife Debbie are also executive producers of the acclaimed feature film "Infidel." — Want to connect with Dinesh D'Souza online for more hard-hitting analysis of current events in America? The High Cost of Godless Government | Ep 379 | Allie Beth Stuckey

Yesterday, Texas Governor Greg Abbott announced that Texas will no longer have a statewide mask mandate and that the government will no longer require businesses to operate at reduced capacity. Then, we discuss New York Governor Andrew Cuomo and the [#MeToo](#) moment he's having right now. Three women

have accused him of harassment, and unlike Cuomo's nursing home COVID scandal, the media actually seems to care about this one. And, it's time we addressed the much-talked-about exchange between Senator Rand Paul and Rachel Levine during Dr. Levine's confirmation hearing.
