

# **EXPOSED: Yale speaker makes VILE statements about ALL white people (Part 1)**

Yale School of Medicine's Department of Child Study Center recently hosted a 'virtual talk' with Forensic Psychiatrist Aruna Khilanani. Glenn plays some of the audio from her speech — which was sent to and released by writer Bari Weiss — and her remarks are SHOCKING. Not only does Khilanani make vile statements about all white people, but she also describes her fantasies about hurting them, too. So, how should we react to such hateful rhetoric on the far-left?

Glenn gives his five suggested ways to respond in Part II of this video, to be released on his YouTube channel at 3:30 pm ET.
