

# How the “New Christianity” Movement Has Altered Religion—Interview with Pastor Lucas Miles

There’s been a growing phenomenon of churches in the United States following progressive policies, and drifting from standards that churches used to hold. According to Lucas Miles, pastor and author of “The Christian Left,” this is part of a long trend that has led to a gradual altering of religion to fit changing standard on morality. To learn more about this we sat down for an interview with Lucas Miles.
