

Larry Elder Debunks the Myth About Selfish and Greedy Conservatives | Larry Elder

Despite the Republican reputation for their greed and selfishness, it turns out these dastardly conservatives are far more charitable with their time and money than liberals. No, really. It's been studied. In this episode, Larry reviews Arthur C. Brooks "Who Really Cares: The Surprising Truth About Compassionate Conservatism," and proves not all who vote red hide their wallets when giving back to society.
