

# **We Will Not Be Silenced - Part 1 with Guest Dr. Erwin Lutzer | Dr. James Dobson's Family Talk**

The secular left doesn't believe that America can be repaired. Instead, they say it must be destroyed and then replaced. But with what? We know that they are sympathetic to a "cultural Marxism" which would curb free speech, increase government control, destroy the nuclear family and be hostile toward Christianity. But Dr. Erwin Lutzer, author of *We Will Not Be Silenced: Responding Courageously to Our Culture's Assault on Christianity*, urges Christians to advocate for truth with gentleness.
